AIU House, 16, Comrade Indrajit Gupta Marg (Kotla Marg),
New Delhi-110 002 No. AIU/Res//ACRC/2022
December 16, 2022

Dear Vice Chancellor/Director,

Greeting from AIU!

As you are aware, Association of Indian Universities organizes **Anveshan: Student Research Convention**, a pioneering initiative to identify and nurture the research talents among young researchers in the country every year. The conventions are organized in Five Zones (**East, West, North, South, and Central**) and one at **National level**. Selected projects at zonal level are presented at the National level conventions and finally selected projects are given **cash awards, mementos and certificates**. The overall winners across **Five Categories** are also awarded a **Gold Medal** instituted in name of late **Prof S K Mukherjee**, former President, AIU.

Since its inception, **Anveshan** is being organized in **conventional mode**. As one of the objectives of this initiative is to facilitate and promote national and international networking and collaboration of Indian Academic Researchers, we need to find ways to connect student researchers in various Indian & foreign institutions. As the first step towards this, AIU has taken an initiative to digitize **Anveshan**. AIU in partnership with **ProjectSet**, a research-based consultancy organization based in United Kingdom has developed a dedicated web portal for digitalizing **Anveshan**. With this, the entry, registration of students to **Anveshan** and submission of abstracts and complete proposal will be done through online mode. However, the convention will be organized in **face-to-face mode**.

You are accordingly requested to take necessary initiative for organizing a competition of Research Projects of students from various departments within your university and colleges. The selected five students of your university have to upload the selected projects (one in each category) at <https://projectset.com/anveshan>

The university may also appoint a Coordinator for the **Anveshan** who may register at the <https://projectset.com/anveshan/coordinator>

The **last date for registration** and uploading of details is **January 15, 2023**.

In case, your Coordinator or students face any issues with registration, you may contact Dr. Sandeep, AIU (Mobile : 99532 93339, Email : researchaiu@gmail.com)

The Central Zone Convention for the current year is scheduled to be held on **January 24-25, 2023** at **Ravenshaw University, Cuttack**.

Prof Sudarshan Mishra (Coordinator), Ravenshaw University, Cuttack-753003, Odisha Mob: 7978576092, Email- sudarshanmishra@yahoo.com may be contacted, should you face any difficulty with regard to conduct of Central Zone Convention.

The Monograph containing the details of Rules, Procedures and Guidelines is being enclosed for ready reference. The general guidelines can also be accessed at AIU website: www.aiu.ac.in.

I am sure your invaluable cooperation will help us to strengthen the Research at our Higher Education Institutions.

With warm regards,

Yours sincerely,

(Pankaj Mittal)

Encl. : As stated above.

All Vice Chancellor/Directors of AIU Member Universities/Institutions in Central Zone.

Anveshan

Student Research Convention

Anveshan: Student Research Convention

Guidelines

Preamble

Spirit of inquiry, creativity and innovativeness are some of the natural endowments bestowed upon human beings, which are the keys to transformation of life. These factors, when manifested in the form of research, open new frontiers of knowledge, which is instrumental for all forms of development. Perhaps, this is the reason for which research is recognized as one of the core functions of the universities/institutions of higher learning and the universities have been rendering this responsibility with utmost diligence. India's noteworthy progress in the field of Information Technology, Energy and Space, etc., are the outcome of consistent endeavour of our intellectual resources. India, currently producing a solid core of knowledge workers in tertiary and scientific and technical education and its economy and industrial sector set for an unparalleled growth is poised to become the future global knowledge hub. However, the onus lies largely on our Higher Education System and particularly on our universities. But, of late, research has become a subservient component in the university functioning. Resource constraints, lack of commitment, proper incentive, etc., are the impediments that are affecting the quality of research in our institutions of higher education. Other important factors for the deterioration of the quality of research are the absence of adequate training and other capacity building endeavours in our system, which have restricted students' creativity only to rote memory. On the contrary, their potential should be nurtured and harnessed for the benefit of the society. The current boom in Indian economy signaling an era of transformation should provide ample opportunity for success to innovative young brains to become trend setters and role models of a vibrant India.

With a view to inculcating research culture in our higher education institutions, the Research Division of Association of Indian Universities has taken a pioneering initiative to organize Student Research Conventions for the aspiring researchers throughout the country. These Conventions aim at identifying the young and rising talents who would be promoted through proper encouragement and incentives. Also, an attempt shall be made to commercialize their research projects with industrial collaboration. The endeavour may accelerate scientific research and innovation and their application towards community development percolating to the grass root level. Anveshan: The Student Research Convention was applauded across the country for providing an innovative platform for students and generating a great zeal of enthusiasm among the young and emerging breed of researchers in the country. Nevertheless, the initiative is an attempt to inculcate and strengthen a culture of research in the universities and other institutions of Higher Learning.

Objectives

- To identify young talents with research aptitude and interest to take up research as career option.
- To promote the talent in research throughout the country.
- To nurture the talent through specialized training and education in some of the nationally and internationally reputed premier institutions of higher learning in the country.
- To augment financial and physical resources through collaboration with different sponsors for supporting education and training of the young researchers.
- To provide proper incentives to enhance the skill of potential students.
- To initiate an intensive research culture in a selected group of institutions.

Areas/Fields

The areas/fields in which Projects (**Individual and Group Projects***) are invited:

- Agriculture
- Basic Sciences
- Engineering & Technology
- Health Sciences and Allied Subjects, Pharmacy, Nutrition, etc.
- Social Sciences, Humanities, Commerce and Law (Objective and Result Oriented Projects)

* In case of a **Group project**, only three members [one principal investigator and two major contributors] are allowed to participate in the zonal/ national convention.

Type of Project

- Projects on the above mentioned areas must be original and must have undergone some exploration/ ground work in order to show its feasibility and impact.

Procedure

- The duration of the convention will be **Two days depending on the number of participations.**
- The convention will be held in **three phases.**
 - i. In the **First Phase**, all universities in the country will be requested to organize an exhibition of research projects at **University level** in which students from **Affiliated/Constituent Colleges, Research Institutions and University Postgraduate Departments** will be invited to participate. The

exhibited projects will be scrutinized by a team of experts of their respective areas.

- ii. In the **Second Phase**, the exhibition will be held at **Zonal level** for which **Five** Universities, one in each zone, will be identified (calendar enclosed for details). From each zone **best 15 projects** will be given entry to compete at the **National level**.
- iii. In the **Third Phase**, the exhibition/competition will be held at **National level**. The Association of Indian Universities will call for the successful projects, selected through the zonal competition, for National level competition. A total of **75 selected projects** will be displayed for assessment at the National level out of which **15 projects** will be finally selected.

Number of Projects

- Each university is allowed to send a maximum number of **five** projects for the zonal level Student Research Convention, preferably one each from each category.
- In case, any universities/institute do not offer courses/programmes in all five categories/area/fields mentioned they can send total five projects from whichever category/area/field they have amongst the above specified areas/fields. For example: Agricultural University may send Five projects under different sub-fields of Agriculture category

The selected projects duly countersigned and forwarded by the Head of the Organization must reach the coordinator of the host university of each **ZONE** by stipulated date every year which is intimated to the universities and displayed/uploaded on AIU Website: <http://www.aiu.ac.in>

- Registration form for zonal level convention is enclosed.
- The projects will be assessed by a panel of experts drawn from various disciplines on the basis of laid down criteria for assessment. The students whose projects will be selected in the final stage at National Level Convention will be promoted through proper incentives for career development in research.

Criteria for Assessment of Projects

All the projects will be assessed on the basis of following criteria. Each criterion is assigned some weightage. The final selection of projects will be based on the cumulative weightage given on all criteria.

Criteria and Weightage

- | | |
|--------------------------------------|----|
| • Scientific Thoughts and Principles | 20 |
| • Creativity | 20 |
| • Thoroughness | 10 |
| • Skill | 10 |
| • Relevance | 20 |
| • Cost Effectiveness | 10 |

Apart from the above criteria, **Scope of Commercialization** of the projects will be considered as an **additional merit**. However, there will be no weightage point for this criterion. In case of the projects having scored equal cumulative weightage point, this criterion will be considered for making the final decision.

Eligibility for Participation

Entries of the research projects will be purely **INSTITUTIONAL** and only **BONAFIDE fulltime** Students/Research Scholars from Undergraduate to Doctoral Degree level are eligible to take part in the convention. **Those who are below 30 years of age are only eligible to take part in the Convention.**

Entry/Registration Fee for Zonal level Convention

Entry - Rs. 500/- (per Student)

The entry fee for **zonal level** competition in the form of **Demand Draft /RTGS/ NEFT** drawn in favour of **Host University** and the **Registration form** should be sent to the coordinator of the **Organizing University** under intimation to **AIU**. **There is no registration fee for National level convention.**

Board and Lodging

At zonal level, the host university will make the arrangement for Accommodation, Breakfast, Lunch and Dinner and Session Tea (twice) for about 100 participants including their escorts **without any charge during the two days of the event.**

Those requiring such facilities may contact the Coordinator of the host university (Shortly the Calendar with **the name and contact details of the Zonal and National Coordinators will be uploaded on AIU website**).

Responsibility of Organizers

AIU

- Identifying agencies for providing sponsorship to students selected and for conducting national level convention.
- Identifying Universities at Zonal/National level for organizing the Conventions.
- Financial support to the host university. (AIU will pay **Rs 1.50 lacs** as Seed Money to each University conducting the Convention at the Zonal level and **Rs. 3.00 lacs** to the University hosting National level Convention).
- Signing MoU with sponsoring agencies (except organizing local activities).
- Coordinating the convention and post convention activities.
- Compiling and Bringing out the Compendium of Presented Research Projects.

Host University

- Sending circulars to constituent colleges for inviting projects from the students.
- Provide Boarding, lodging (**without any charge during the two days of the event**) and other logistics for participants, observers, Local Coordination in organizing the three-day programme.
- Selection of experts: The panel of experts (preferably retired or serving academicians from the adjoining institutions, personnel from local industries) should have **three experts in each area/ field**.
- TA and token honorarium of around **Rs 1000 (per day)** to each expert will be covered from the seed money paid by AIU.

Registration Form for Zonal Level Competition

Name:

Father/Guardian's name:

Date of Birth.....

Name of the College/ Institute where studying:

[Please mention clearly if the candidate is pursuing his/her study from University
Department/Faculty]

Name of the University to which the college is affiliated:

Name of the Zone:

Nomenclature of the Degree (For which enrolled):

Discipline:

Year:

Permanent Address.....

.....

Address for Communication:

.....

Phone: (Off)(Res)..... (Mob).....

Fax..... E-mail:

Title of the Project:

Faculty & Subject Area.....

Date of Commencement & completion of the Project:

Application of the Outcome of the Project (if any). Yes/ No

If Yes, mention briefly about the nature of Application

.....

Whether the project has been sent for some other competition/sponsorship earlier?
Yes/No

If Yes, mention place and date

Accommodation required: Yes / No

Date.....

Signature of Candidate

(Signature with Seal of the Competent Authority)

Guidelines for the Participants

- Projects should be original and based on new/innovative ideas and must have undergone some exploration and ground work to prove its feasibility and show impact.
- The Projects are invited in Five Categories/areas – i) Agriculture, ii) Basic Sciences, iii) Engineering & Technology, iv) Health Sciences and Allied Subjects, Pharmacy, Nutrition, etc. v) Social Sciences, Humanities, Commerce and Law (Objective and Result Oriented Projects).
- In case of a Group project, only **three members** [the principal investigator and two major contributors] are allowed to participate in the zonal/ national convention. But, only **one member** will be allowed for presentation.
- Entries of the research projects will be purely INSTITUTIONAL and only BONAFIDE fulltime Students/Research Scholars from Undergraduate to Doctoral Degree level are eligible to take part in the convention.
- Entry Fee- Rs. 500/- (**per student**). The entry fee for **zonal level** competition in the form of **Demand Draft /RTGS/ NEFT** drawn in favour of **Host University** and the **Registration form** should be sent to the coordinator of the **Organizing University** under intimation to AIU. **There is no registration fee for National level convention.**
- Registration is compulsory for all participants. The entries for projects in the convention will be accepted only if **forwarded through the Head of the Institution.**
- The Projects can be presented in the form of live demonstrations /models / posters/podium (oral) presentation in any aforementioned areas/fields.
- Each university is allowed to send a maximum number of **five projects** for the **zonal level** Student Research Convention.
- The duration of the convention will not exceed a maximum of **three days.**
- The projects will be presented in **three rounds.** In the **first round** the participants will display their projects in poster presentations (Size of Posters - 1m X 1m) before a panel of judges. If selected in the first round, the project will be allowed for podium and oral presentation before the panel of Judges in the **second round.** In the **third Round** the presentation will be open for question-answer.
- The host university will provide the required infrastructural facilities like Display/Mounting Boards, space for display, LCD/ overhead projector, etc., required for presentation. In case any special assistance is required the participants may request the Coordinator of the host university for the same at least three days before the Convention starts.

- Total time allowed for oral/podium presentation is 10 minutes. **Seven Minutes** for presentation and **Three Minutes** for question-answer.
- The host University will provide accommodation, Breakfast, working lunch and dinner to the participants and their team members **free of cost**.
- Certification of Participation and mementoes with endorsement of both AIU and Host University will be issued to all the participants.
- Unless extraordinary circumstance so warrants the results of the competitions will be declared in the last day of the Convention preferably in the valediction.
- Winning Projects will be invited for **National Student Research Conventions** as per the schedule decided by Association of Indian Universities.
- Winners in the **National Student Research Convention** will be awarded Cash Prizes along with Certificates and Mementos. The amount of Cash Prize for **first position holders is Rs 75,000, second Position Rs. 50,000 and third position Rs 25,000**. One best project will be selected across all the Five categories which will be awarded a **Gold Medal** alongwith the cash Prize and certificate.
- The decision of judges will be final and binding on all participants.
- In case of any dispute relating to selection and assessment of Projects the appellate authority is the Secretary General, AIU.
